Angela,  
Really a pleasure to have met you and your staff today. Thank you so much for the tour. And I am definitely in to attend CSAC Annual Mtg. next December if they can get you on the agenda to give a presentation of the great work DPW is doing to divert food from going into landfills. (And having the healthiest worms as a result as well!) And please always feel free to call or email anytime I can be of assistance to you or DPW.

Best regards,
